Friday, April 8, 1898.

TERMS: \$1.50 PER YEAR IN ADVANCE

DOBYNS & CURRY, Publishers

Reports from the woolen milis of Pennsylvania show an advance of 12 per cent, in the wages paid in a number of the large manufactories of the state, with prospect that this action will be followed by a similar course on the part

of other employers. Ar the close of the war for the Union the United States debt was \$2,381,000, 000. This has been reduced to an inter est bearing debt of \$850,000,000. Undle Sam could spend \$1,531,000,000 on Spain, if necessary, and then be in a better condition than he was at the close of the civil war.

A month ago only one 10 inch disappearing gun defended Boston harbor. Now there are six and two more will be by April. Their extreme range is ten miles, but they would engage an armored ship at three or four miles. The approach to Boston is also covered by sixteen mortars and channel mines and torpedoes.

acy because of the adoption of a rule contest, many years ago.

THE good roads bill just passed by the New York Legislature provides that the Republicans carried by a narrow margin than for those of 1806 and \$80,000,000 tion of any similar paper published in water tubs alone is being adopted for Republicans carried by a narrow margin than for those of 1806 and \$80,000,000 tion of any similar paper published in state shall pay 50 per cent, of the cost, county. If property owners petition for the improvement they bear 35 per cent. of the county's share, but if the county takes the lead abutting property owners pay but 15 per cent of the cost.

Order of Publication.

William C. Andes, Plaintiff,

N. N. Alford Jackson, Defendant.
At this 10th day of March, 1868, comes the plaintiff herein, by T. C. Dungan and W. E. Stubbs, his atterneys, before the undersigned clerk of said court in vacation and files his petition, alieging, among other things, that defendant has absented himself from this state and is not a resident of the State of Missonri.

Whereupon it is ordered by the clerk that said defendant he notified by publication that plaintiff has commenced a suit against him in this court, the object and general nature of which is that plaintiff seeks to obtain a decree, declaring that the record title now in defendant, be divestof recent statistics of railroad earnings. a comparison of the prices of railroad stocks on March 1 with those of the coresponding date last year showed a most remarkable increase, not only in the remarkable increase, not only in the granger roads, but in the most stable railroad properties of the Eastern states. Taking the latest national bank statistics available, Mr. Hyde called attention to an increase of over \$255,000,000 in the total amount of individual deposits, and of over \$174,000,000 in the total amount of individual deposits, and of over \$174,000,000 in the total amount of loans and discounts, as an indication of restored confidence, and of the extent to which money was once more flowing back into the various channels of trade and industry.

The receipts of the postoffice department for the last quarter for which they have been published show an increase of about \$1,000,000 or 5 per cent over those for the corresponding period of the preceding year.

Lastly, the number of failures and the liabilities of the insolvent concerns, as reported by Dun's Mercantile Agency, show a most gratifying decrease. The granger roads, but in the most stable
